Subject: RE: SCRA workshop call
Date: Tuesday, October 06, 2015 1:40:57 PM

Hello everyone,

The first doodle poll struck out. Unfortunately that means we will have to push the date for the call back a few weeks. Below is a new link for a new doodle poll. Please take some time to fill that out.

Keep in mind the times listed are Eastern Time, unless you change it.

<http://doodle.com/poll/qzdbtfg8xihmdzrg>

Because we have to push the call back please be thinking of 3 crops or traits that would be good for the workshop and bring your recommendations to the call.

In another effort to get the ball rolling before we can schedule our call I will also be sending out a doodle poll to narrow down a month to hold the workshop during. Please keep an eye out for that poll and be sure to fill it out before the call.

Let me know if you have any questions.

Thank you,

Mollie Hogan

Subject: SCRA workshop call

Dear John, Bob, Sally, Alan, Chris, Carrie, Beth, Lori, and Kellye:

Per Kellye's request I have set up a Doodle poll to find a time for a call next week to discuss the SCRA

workshop.

Please use the link below to respond to the poll. Once everyone has completed the doodle I will email again with the meeting time and directions for joining the call.

Please Note: The poll will automatically display the possible times in Eastern time. To change this please select 'change' in the area directly above the poll on the far right.

<http://doodle.com/poll/32krkgec22aeshgg>

Please let me know if you have any questions.

Thank you,

Mollie Hogan
